

THE BC LIBERALS ARE TRYING TO LOOK ATTRACTIVE OUTSIDE

BUT INSIDE IT'S ANOTHER STORY.

Christy Clark's BC Liberals are pretending everything is OK for the provincial election, but her government is a mess. Recently they received questionable donations which has prompted the RCMP to open an investigation. Something stinks. Christy Clark is a premier that is not working for you. If you want a breath of fresh air, vote BC NDP.

IS THIS WHAT THEY CALL AFFORDABLE HOUSING?

Christy Clark and her BC Liberals have turned a blind eye to housing issues, allowing rents and housing prices to go through the roof. Christy Clark is not working for you. John Horgan and the BC NDP will work for you and your family to make life more affordable.

HOW ARE HEALTHCARE CUTS GOING TO AFFECT YOU?

Christy Clark and her BC Liberals have badly neglected health care for years. That neglect has led to longer wait times for surgeries and too many patients are in hospital hallways. Seniors care is suffering, yet people at the very top have enjoyed big tax cuts. Christy Clark is not working for you and your family.

**WHEN KEY SERVICES ARE PULLED,
HOW CAN OUR COMMUNITIES THRIVE?**

For 16 years, Christy Clark and her BC Liberals have worked for their friends at the top. Now you are paying more, while services in health care, seniors care, and education are pulled down by her neglect.

John Horgan and the BC NDP will work hard to make your life more affordable, improve the services you count on, and create good jobs and a sustainable economy. We can build a better BC.
